Subject : PCN of plastic reel change to paper reel for SMD products

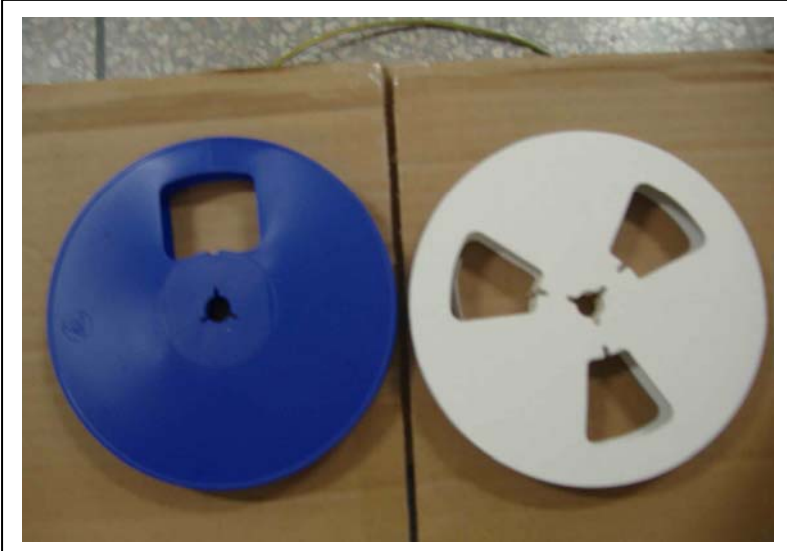

1. For environment consideration, Rectron are going to change the packing material of SMD products.
It change to paper reel from currently plastic reel.
2. This change will not affect the Q'ty and customer application but net weight
3. The outlook photo between plastic and paper reel as following:
 - a. Small reel (-T) for SMA/B/MDS

- b. Big reel (-W) for SMA/B/MDS

c. Small reel (-T) for SMC

d. Big reel (-W) for SMC

4. The effective date from 2009,Jan,1

5. Pls. feel free to contact me, if customer with any problem.
